3. Conclusions drawn from the detailed monitoring of the quality of execution obtained

The below are applicable for the financial instruments offered, that are: Equities, Debt Instruments and Exchange Traded Products.

3.1. Execution factors

When executing clients' orders the Company takes into consideration the following execution factors:

- a) Price;
- b) Cost;
- c) Speed of execution;
- d) Likelihood of execution;
- e) Likelihood of settlement;
- f) Size of Order;
- g) Nature of Order; and
- h) Market Impact.

The Company acted as in accordance with its Order Execution Policy, Order Execution Policy implementation Procedure and executed trade orders received by taking into consideration all of the above factors giving, however, primary consideration to price and cost.

3.2. Close links / conflicts of interest / common ownership

The Company does not have any close links, conflicts of interests or common ownerships with any execution venues used to execute orders.

3.3. Arrangements with execution venues regarding inducements

There are no specific arrangements with any execution venue regarding payments made or received, discounts, remuneration, rebates, non-monetary benefits or other incentives that may influence the Company to use an execution venue over another.

3.4. Change of execution venues

During the year 2021 the Company did not change execution venues and related contractual agreements regarding investment services.

3.5. Order execution per client categorization

During 2021 the Company executed orders for both retail and professional clients. No discrimination in terms of the client categorization is applied to the execution of the client orders.

3.6. Precedence of other criteria over price and cost

As noted in Section 3.1. above, the Company acted by giving prime consideration to price and cost when executing clients' orders. For Retail clients the combination of the abovementioned factors was taken into account to provide the protection against slippage and high volatility.

3.7. Data analysis

The Company used RTS 28 reports produced by execution venues or brokers during 2021, to reallocate execution flow based on improving price, reducing costs and increasing likelihood of execution of clients' orders. The quality of execution provided by the execution venues and brokers is closely monitored on a consistent basis.

3.8. Usage of output of a consolidated tape provider

The Company has not used output of a consolidated tape provider established under Article 65 of Directive 2014/65/EU ("MiFID II).

3.9 Securities Financing Transactions

Due to the fact that company does not have the license of Dealing on own account there are no Securities Financing Transactions on behalf of the clients.

Disclaimer: The Report is prepared solely for the purposes of the requirements of the Regulation. The Company reserves the right to amend its Order Execution Policy subject to giving clients the notices prescribed in the relevant legal agreement governing the client's relationship with the Company. The Company reserves the right to change execution venues provided it continues to adhere to the requirements set out in the Regulation and its Order Execution Policy.
